APPROVED ACCOUNTS 2017/18

Explanation of Variances from 2016/17 accounts

Section 1, Box 4.

Staff costs have altered due to pension auto-enrolment

1. Historically the sum of 3.75% of the Clerk's annual salary had been held within reserves as funds earmarked for staff retirement benefit scheme (as approved by the Inland Revenue on 3rd April 2006 and in accordance with Clerk's amended contract of employment dated 6th March 2006).
2. A pension scheme was set up with The People's Pension and from the staging date on 1/4/16 Council has contributed 3.75% and Clerk 4.25% of gross salary to that scheme.
3. The accrued sum of £899-21 held within reserves as funds earmarked for staff retirement benefit scheme was transferred into the pension scheme during 2016/17.
4. In the year of account, employees pension contributions totalled £83-28 and employer's pension contributions totalled £73-56.

Level of reserves

The Parish Council is in the fortunate position of being able to keep its precept artificially low because it owns a property which is rented out for £2,100 per annum. This rent is used to augment the precept. Were it not for this rental income, Council would be setting a precept over £5,000.

Council takes the view that it is prudent to have a general reserve in the region of £10,000 in order to cover a full year's expenditure and provide an amount for unforeseen contingencies such as election costs

Planning permission has been granted for a housing development in the village, as a result of which a Section 106 agreement is in force. this agreement should eventually result in the Parish Council receiving a sum in the region of £37,600 towards the cost up updating the children's playground in the village. In the interim, Council is putting together a playground scheme which is likely to cost in excess of £50,000. Grants will be sought in order to expand the scope and type of equipment in the scheme. Council continues to hold £15,000 within reserves as funds earmarked for playground replacement.

Council has also earmarked £3,000 of its reserves as a contingency fund for property repairs.

For the financial years 2017-18, 2018-19 and 2019-20 Council is providing funding of £500/year to Newby & Scalby Library which serves the parish. From 1/4/2017 the library has been run as a registered charity by trustees and volunteers and Cloughton Parish Council wanted to provide assistance. Council has budgeted to make this funding from reserves.
